

## Uga 4WD Policy

At Uga, we prioritize the safety, comfort, and enjoyment of all our guests during experiences using four-wheel drive vehicles. To ensure a seamless and enjoyable adventure, we have established the following policies:

- Children under the age of three (03) are not recommended in 4WD vehicles/jeeps unless accompanied by their parents or guardians in an exclusive 4WD vehicle (at an additional cost). Parents or guardians must also sign an indemnity form acknowledging the associated risks due to health and safety reasons.
- Families with children under the age of twelve (12) are recommended to opt for an exclusive 4WD vehicle (at an additional cost) to ensure a more personalized and focused experience for families, although families are welcome to join excursions using shared 4WD vehicles/jeeps.
- Pregnant women are advised against going on excursions in 4WD vehicles/jeeps due to health and safety reasons; however, they are welcome to join excursions if they sign an indemnity form acknowledging the potential risks associated with the activity.

The Uga 4WD policy will apply to new bookings effective from the 15<sup>th</sup> of April 2024. Existing bookings will be unaffected.

At Uga, we strive to provide unforgettable experiences while prioritizing the safety and well-being of all our guests. These guidelines are established to ensure that every guest, regardless of age or condition, can enjoy our adventures with peace of mind. We appreciate your cooperation in adhering to these policies for a safe and enjoyable experience.
