

OUR COMMUNITY ENGEEMENT POLICY

At Uga Escapes, we are committed to serve the community through tourism industry which promote sustainable tourism. Uga Escapes respects, supports and protects the local economy, people and their way of life through community engagement.

The primary objectives of this policy are;

- economic development, job creation, and infrastructure development in local communities
- bring economic growth and prosperity to attractive tourist destinations which can raise the standard of living in local communities.

Through our community engagement policy, we will:

- Inform the visitors of the culture and the livelihood of the communities nearby
- anticipating and respecting local cultures, expectations and assumptions
- supporting the integrity of local cultures by favoring businesses which conserve cultural heritage and traditional values
- supporting local economies by purchasing local goods and participating with small, local businesses
- conserving resources by seeking out businesses that are environmentally conscious, and by using the least possible amount of non-renewable resources
